

Mobile Phone Policy

To safeguard the children within the setting we do not allow parents, carers or visitors to use their phones in any of the rooms.

Staff, students and visitors are asked to put any mobile phones into the phone box in the office, the staff and students are welcome to collect phones on breaks but are not permitted to use them where children are.

Anyone using their mobile phone around children or in any of the rooms will be asked to leave the area or to hang up the phone and put it away.

No mobile signs are located around the setting.
